### Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

# WHAT TO PACK FOR A FALL VACATION

BY LIZ FROMENT

Going on vacation isn't only a summer event. In fact, there are tons of places all across the country that are even better in the fall.

But, in order to get the most out of your fall vacation, you need to know what to pack.

Depending on your location, it's not as simple as tossing a few swimsuits in your luggage and calling it a day. You might have to bridge a number of temperature variations that can be hard to plan for over the course of a few days.

We're here to help.

We want to let you know our best tips on what to pack for a fall vacation. This way you can be comfortable during your trip — and not have to carry extra luggage.

-  **USE LAYERS**
-  **THINK DAY TO NIGHT**
-  **SKIP THE SANDALS**
-  **RAIN GEAR**
-  **HAVE FUN!**

When you spend a little time ahead of your trip planning out your packing and what you're going to wear, you can save a lot of stress and headaches during your vacation. That means more time to enjoy your trip and some extra room in your luggage for souvenirs!
